

CORNELIA'S INV-EGGSTIGATION: CAN WE GROW FOOD IN 8 WEEKS?

I need to find out which plants produce edible and harvestable food in 8 weeks. Please help me!

Can you help me find out which plants produce edible and harvestable food in 8 weeks? Which seeds and plants can we grow? Use some websites (your teacher can help you) to research possible answers.

ACTIVITY NOTES (I.E. PLANTS THAT CAN BE EATEN IN 8 WEEKS, SEASONAL PLANTING TIMES)
